## Noted Expert on Household Economics Will Show Chautauqua Audiences How to Save

MRS. CHRISTINE FREDERICK IN HER EFFICIENCY KITCHEN AT APPLECROFT, LONG ISLAND.

"Women can help win the war by efficiency in the home," says Mrs. Christine Frederick, author and lecturer on household economics, who will be heard on the Redpath Chautauqua here this season.

Mrs. Frederick, it is safe to say, is known to nearly all housewives through her articles on household efficiency in the metropolitan newspapers

and the Ladies' Home Journal. The Pathe-Freres moving picture firm has put her work before moving-picture audiences, and farm women know her through her Farmers' Institute lectures and her writings in farm magazines. Close to one million copies of her publications—books, booklets, charts, correspondence courses, are in the hands of women.

Mrs. Frederick is a trained and enthusiastic speaker with a splendid voice. She typifies in an attractive way the modern, young college-trained housewife and mother, and knows how to entertain as well as interest an audience.

The above picture shows Mrs. Frederick in her efficiency kitchen at the Applecroft experiment station, Long Island.

**Take a Sunshine Tablet for Thy Stomach's Sake**

There never was such a marvelous prescription for stomach distress and indigestion as Mi-o-na.

No doctor ever wrote a better one; it's doubtful if any doctor ever will. It's so good that Wortley & French say money back if it doesn't relieve.

A woman in Maine calls Mi-o-na the sunshine prescription because she has seen so many sour, miserable, aggravating dyspeptics turned into happy, cheerful, sweet human beings in a few days by taking Mi-o-na.

The stomach is responsible for three-fourths of the nervousness and half the misery of the world. A woman can have a first-class stomach and yet be miserable if she has a husband who is a nervous dyspeptic.

If you have indigestion, belching of gas, heaviness after eating, sour stomach or any miserable stomach disturbance the prescription called Mi-o-na will put you right and bring sunshine into your life in a week.

A large box of Mi-o-na tablets cost only 60 cents at Wortley & French's and by leading druggists everywhere. They are small and easy to swallow.

## LOCAL WOMAN COMPOSES FINE PATRIOTIC SONG

Mrs. Alice Grinnell, of 110 E. Liberty street, has produced a number of songs and poems which denoted extra talent on her part in this line but the following from her pen has been pronounced far better than the ordinary by persons who know enough of the principals of music and harmony, to be classed as critics. Duncan Kerr, a local singer of considerable fame, has given the following song at several gatherings and Mr. Kerr thinks it exceptionally good:

### "YOUR BOY—AND MINE."

What is it that's borne on the morning breeze?  
That rumble and roar, coming nearer and clearer,  
Ah, yes, as I peer afar down the street.

I can see in the distance an army of soldiers.  
And hear the faint tread of eager feet  
As onward they march.

Freely giving their all for right and mankind,  
How proudly they march as they come down the line.

'Tis the flower of our country,  
'Tis your boy—and mine.

What is it I hear? That deafening roar,  
That as each moment passes grows louder,  
Yes, I see now—'Tis a battle severe.

See the enemy waver and falter.  
Look! There they retreat  
To a place of relief from the battle's fierce heat.

And from hundreds of throats comes a mighty cheer,  
As the victors advance in an unbroken line,  
Over wounded and dying left behind,  
'Tis the price of the battle.

'Tis your boy—and mine.

High and Dry.  
Poor Pudge, he cannot take a bath.  
He is so awful stout,  
For when he gets into the tub,  
The water splashes out.

His wife is just the opposite,  
She is so very lean;  
That when she gets into the tub  
She hardly can be seen.

(The latter is purely original. We for the moment felt inspired. No, you needn't throw the brick.)

## HE BELIEVES IN ENFORCING DISCIPLINE

We recently published a short article on L. B. Hall being connected with the New Era association. Mr. Hall was formerly a superintendent of schools here and we knew he had many friends here who would be glad to hear from him. We have recently received another letter from Mr. Hall, which is as follows:

Jackson, Mich.  
Editor of the Belding Banner-News, Belding, Mich.

My Dear Editor: I think you must have mixed your drinks the morning you commented on the item in the "New Era Bulletin". Don't make me any older than I am. I can sprint a 100 yards as quickly and put my heel as high as my head as easily as I ever could and not lie on my back either.

Your imagination worked overtime on "the occasional wallpings" you received at my hands. Don't remember ever having occasion to wallp an Engemann if I did know he had been wallp when I got through with him.

My lad from Kelley Field writes me about the pilots doing the "tail spin" stunts. I remember of doing the "head spin" stunts with some of the lads occasionally and the others imagined they had been spun which to all intents and purposes sufficed. In my opinion "discipline and obedience" are much neglected dogmas in both home and school today. I think superintendents of schools would not come and go as often as March winds if rigid discipline was enforced with judgment and discretion.

I am always glad to be remembered by the boys and girls even for the "wallpings" I gave them. It was an honest attempt on my part to develop the "best" that was in them.

Very truly yours,  
Lewis B. Hall.

Regardless of the fact that Mr. Hall pleads innocence to our charge of an occasional "wallp" we have got to hold him to it. He says he cannot remember of any such thing and from the way he handed it to us at that time, think he didn't care enough about it to remember it very long anyway and that is perhaps the reason why he has forgotten it.

However, Mr. Hall has the appreciation of the writer and many others who feel in later years that it would have been better for them to have paid more heed to the discipline of their school days.
